*The 1977 VIKING Staff Presents:  
WORDS OF WISDOM*

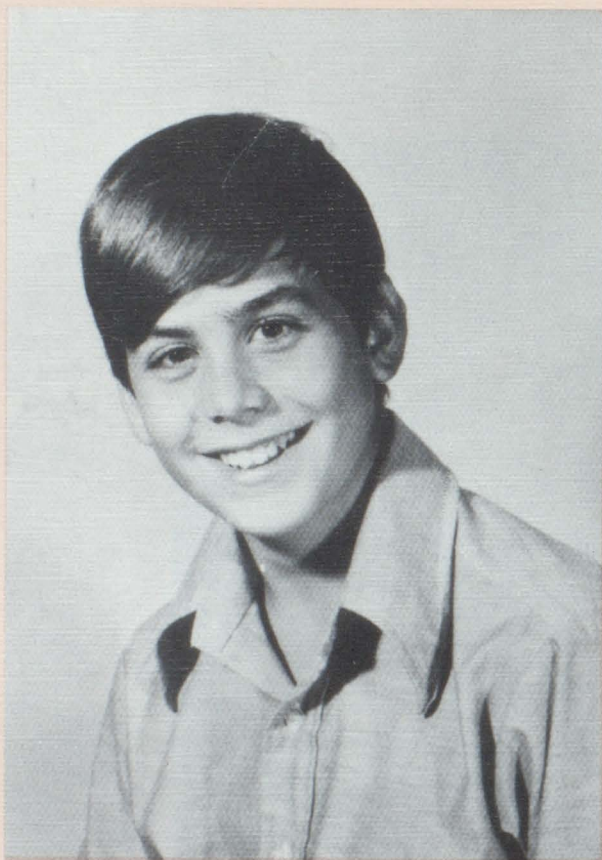

*Marysville High School

*In Loving Memory We Dedicate*

*The 1977 VIKING*

*The Lord is my shepherd,  
I shall not want;  
he makes me lie down in green pastures.  
He leads me beside still waters;  
he restores my soul.  
He leads me in paths of righteousness  
for his name's sake.*

*Even though I walk through  
the valley of the shadow of death,  
I fear no evil;  
for thou art with me;  
thy rod and thy staff,  
they comfort me.*

*Thou preparest a table before me  
in the presence of my enemies;  
thou anointest my head with oil,  
my cup overflows.  
Surely goodness and mercy shall follow me  
all the days of my life;  
and I shall dwell in the house of the  
Lord  
forever.*

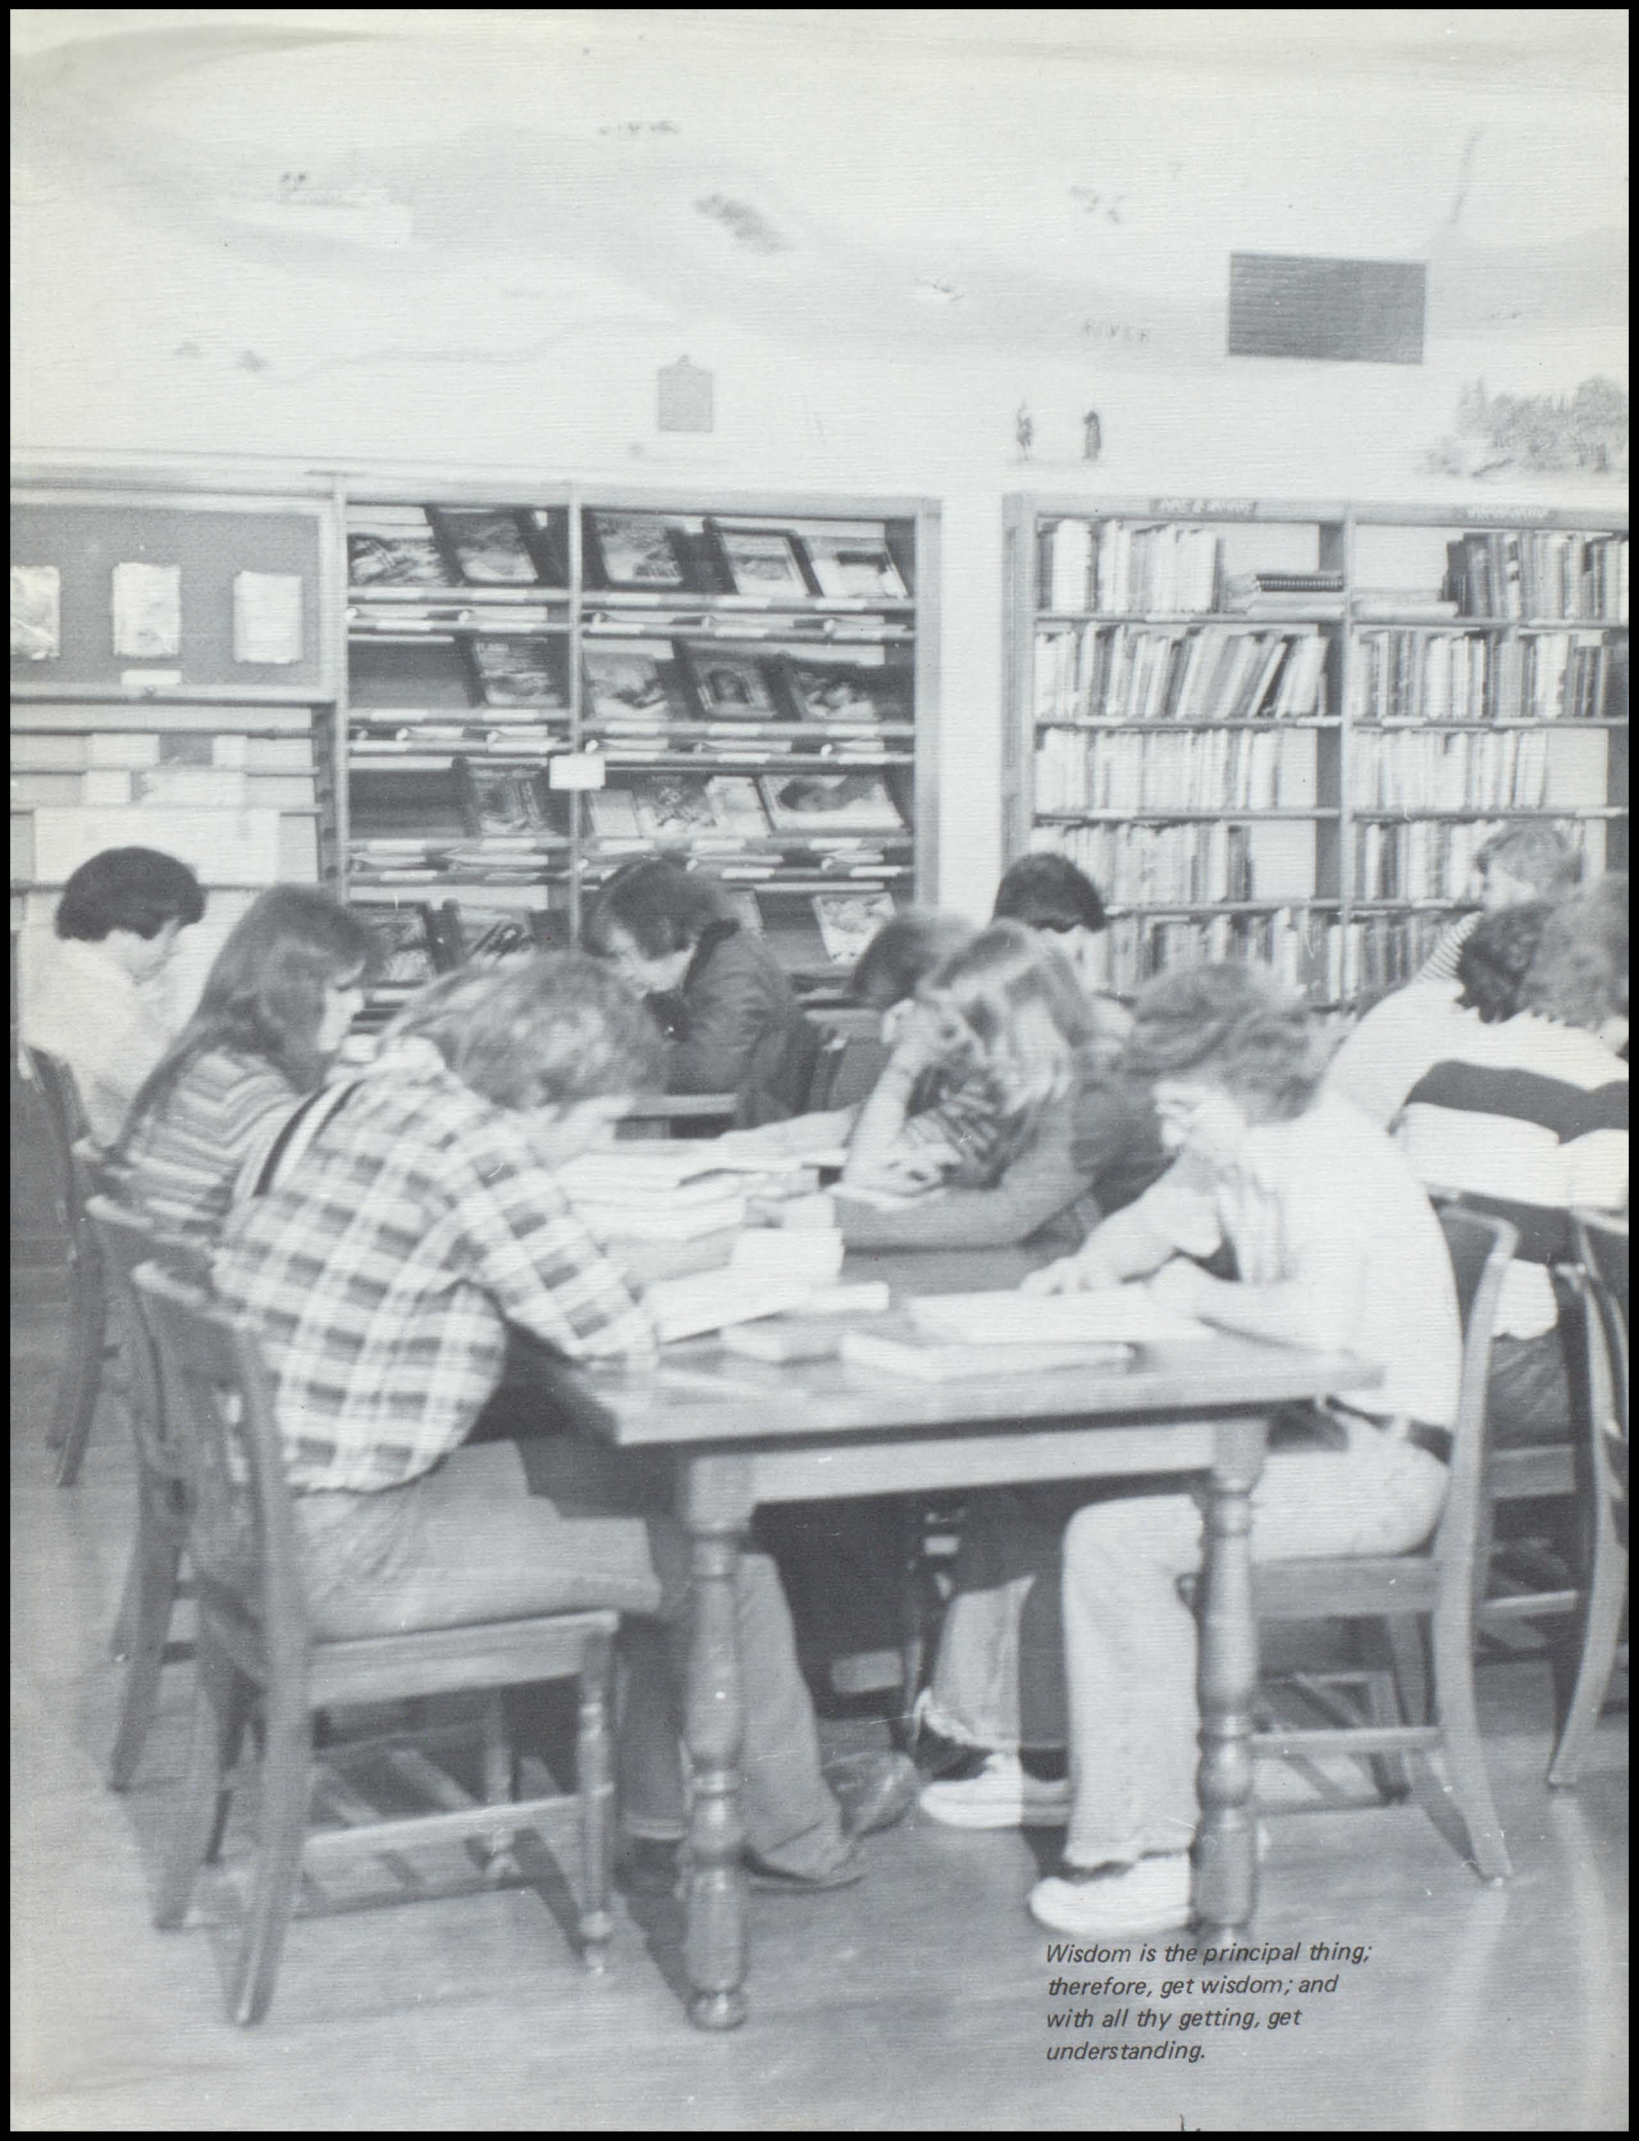

*Brian Daniel Zablocki*

*July 21, 1959*

*May 6, 1974*

*Wisdom is the principal thing;  
therefore, get wisdom; and  
with all thy getting, get  
understanding.*

Mr. Heimburger met with the Sophomore Steering Committee and Class Officers to select three styles of rings. The entire class voted for the ring of their choice. Our advisors were really helpful with the float, other activities, assemblies, and they chaperoned us at the school dances. Some of the advisors had 10th grade homerooms, and if we had any problems, we could go to them for help.

The 1976 Sophomore float was constructed at the home of Christal Imler. This year the class selected the theme "Can the Mariners." When the class began construction on the float, many students came to help and to submit ideas to the class officers. The night before Judgement Day was the same as usual with many students staying up as late as two a.m. to put on the final touches. On Homecoming Day the float was judged. It took 3rd place and the class was awarded \$15.00 for their efforts.

# You Shall Be Safe With Us As Your Leaders

*The Sophomores started the year with lots of enthusiasm to make money for class activities. The class used money from bake sales to buy materials needed for the construction of their float. Towards the closing of the year, the Sophomores sponsored a paper drive.*

*The Sophomores were alive with spirit at Pep Assemblies. They won the "Stuff-A-Rope" contest by stuffing more than eighty students into their rope. Enthusiasm was shown throughout the year. Many students were involved in planning class activities. The Class President, Christal Imler, exerted effort in the organization of everything.*

J.V. Girls were 7-3 in the league and 11-6 overall. They came in second place in the league defeating Marine City and losing to St. Clair for first place by only three points.

# To Whom They Fear, They Lose

*This year the J.V. Volleyball team had a great season. The team won most of their games because of the great number of players who went out for the sport and also because each player was very good. Another reason for the success of this team is their ability to set and spike the ball. Mrs. Baker was the coach.*

# To Know How To Play

The Girls' Varsity Volleyball team had a great season this year. All of their games demanded the best of their abilities and the girls came through with flying colors by finishing up their season with an overall record of 9 wins and 4 loses. They placed third in the City Championship by defeating Port Huron High. In the SCAL they finished tied for second and entered the SCAL tournaments ready and willing.

This year the Freshman basketball team finished up their season with a record of five wins and five losses and placed third in the SCAL standings. The Vikings highlighted their season with their victory over Marine City with a score of 45 to 33. All of Marysville's games this year were tough, and all of the players showed promise in each of them. The Freshman team should keep the Marysville tradition going strong.

Jeff Vollstaedt comes in for a lay-up.

Coach Knuth, Jim Reid, Mark Frendt, Jim Reardon, Chris Cruickshank, Jon Pake, Brian Wilson, Jeff Simmons, Craig

Mader, Dave Koschnitzke, Max Brockdorff, Terry Curley, Dan Leverich - Trainer.

The J.V. Basketball team had an excellent year in the SCAL. They had very high spirits throughout the year and this helped them very much. Other games out of the SCAL were very tough, but the team held on and then came out with a winning record.

# Our Character Is A Result

The 1976-77 Marysville Viking Varsity Basketball Team was very enthusiastic this year. They had a very successful season, which included winning the S.C.A.L. championship. Undefeated in league play, the Vikes were 18-5 overall this year.

There were several new records set this year including a new single season scoring record of over five hundred points by Pat Miller. Also a new assist record was claimed by Paul Levandowski with over one hundred and twenty assists.

The Vikings hope to be looking for another good season next year. They will not have too much rebuilding to do as they lost only five players to graduation.

He was the City Champ and led the team in many areas. Chuck Ketchum, Junior, collected a first at the Yale Invitational and has an overall record of 15-11-1. Marty Cannon, Sophomore, also collected a few medals this year. He captured 4th in the 178-weight class in the SCAL Tournament. Unfortunately, Marty could not finish the season because of an injury. The Marysville Wrestling Team received a trophy from the Yale Invitational for second place.

# Gracefully Is True Sportsmanship

The 1976 Girls' Softball team placed second in the league with 10 wins and 2 losses, one game behind Chippewa Valley. In the city tournaments, the girls placed fourth. Purchasing new uniforms was a major

highlight of the season. The girls put away blue jeans and old football jerseys to wear real uniforms.

Coach Rix hopes to have a J.V. team in the near future to

accommodate the number of girls interested in playing. Coach Rix believes as the sports programs in the league gain experience, the team finds themselves struggling to stay on top.

## We "Love" The Game Of Tennis

Tennis, for many people, is becoming an enjoyable pastime, sport and a very competitive sport. Tennis is scored as the following: A player or team scores a point when the other side fails to return the ball. To win a game, one side must score at least four points. The first point is 15; the second, 30; the third, 40; and the fourth is the game point. If both sides score three points or 40-40, it is a deuce (tied) game. A score of zero in tennis is called love. A love game means that one side has failed to score a point. A set has been played when one side wins at least six games. If each side wins five games, it is a deuce set. A match usually consists of winning two out of three sets. If one side wins the first two sets, the third is not played.

Julianne Evans presented Mrs. Bellow with a Valentine's Day gift from the staff.

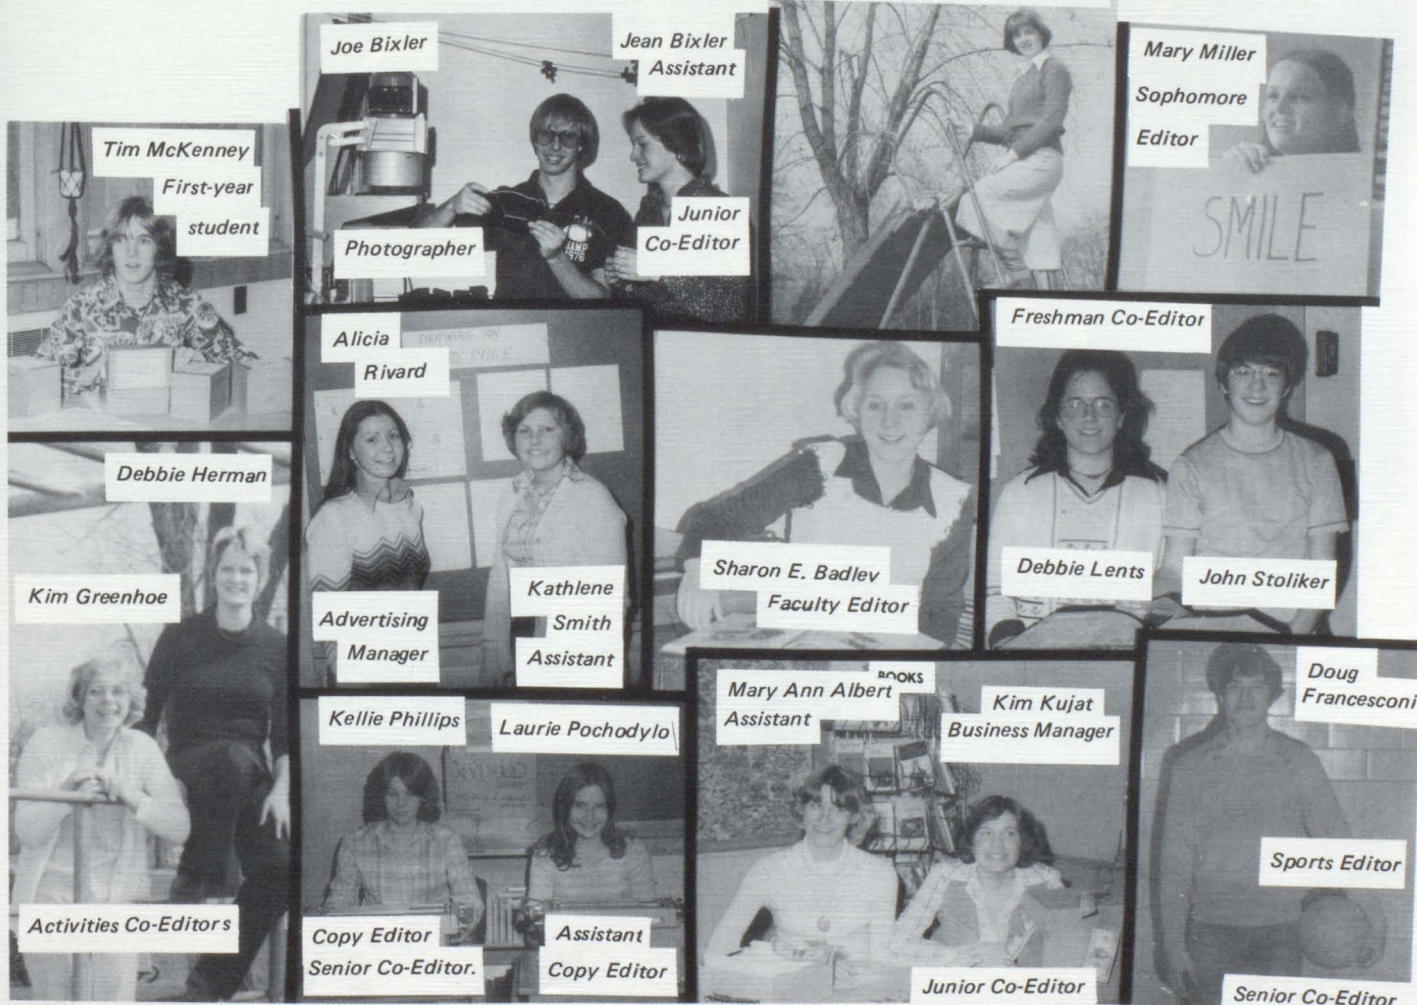

Due to the majority of new students this year, the Viking Staff found it exceptionally difficult to meet their deadlines. Mrs. Shirley Bellow, advisor, and all the staff members pushed hard and succeeded to meet a make-up deadline set on Feb. 24.

Mrs. Bellow and the Viking Staff hope the students of Marysville High School have enjoyed this year full of memories compiled by the staff.

The Editors stayed huddled in the dark room during the long hard winter.

Much more is involved than meets the eye in putting out the weekly edition of the *AMPLIFIER*. Writing, typing, editing and setting up pages are just a few of the jobs that must be done by the editors. Several people were chosen to fill these posts for the '76 - '77 school year. Serving as Editor-in-Chief was Eileen Pavlov. Heading the feature department was Kim Greenhoe, while Inez Wahl handled the literary department. Jennifer Venia was chosen as news editor and Karen Vargo was in charge of sports. Tracie Eveningred took charge of the editorial pages. Gary Wayne did all the mimeographing. Doug Redford worked on sports, as well as filling in elsewhere when needed.

# Stairway To Heaven

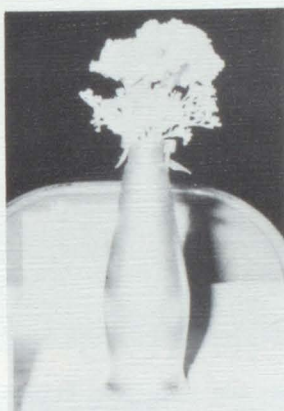

The Servers for this year's Junior Prom were Cheryl Wilson, Brian Simmons, Dena Purkiss, and Chuck Lannin.

## STAIRWAY TO HEAVEN

A dream that everyone could think of on that night February 5, 1977 — one night that brought us closer to our "STAIRWAY TO HEAVEN" was held Saturday evening at the Gardens School from 9:00-12:00. Music was provided by the Meta 4's.

Following a staircase,  
moving upward  
to reach the top, only to  
find it is bottom  
but yet to accomplish great  
things, we must not only act  
but also dream —  
not only plan, but also believe.

*The 1976 Boys' and Girls' Wolverine State were held at Michigan State University and Olivet University respectively. Mock state governments were set up in both places. Positions to be filled were various state, county, and city offices. The representatives were chosen by a committee of teachers on five points: (1) Leadership, (2) Awareness of government, (3) Mental alertness, (4) Vigor, Enthusiasm and Responsibility, plus (5) Ability to get along with others. The purpose of Wolverine State is to emphasize the importance of government, to stimulate a lasting interest in government, and enlarge the understanding in the governmental process. Chuck, Doug, and Pat were sponsored by the American Legion, Marysville Special Police and the Lions' Club. Eileen and Beth were supported by the American Legion Women's Auxiliary. Five hundred girls convened on Olivet while 1200 men flocked to Michigan State.*
